

Quick-Start Guide & Commercial License

Thank you for purchasing the Emergent Dynamics Corporate Constraints Audit Pack.

Package Inventory & Deliverable Files

01_Executive_Diagnostic_Workbook.pdf	6-Page A4 fillable diagnostic rubric & health assessment
02_Constraints_Scoring_Matrix.xlsx	Automated Excel model with dynamic formulas & radar chart
03_Affordance_Remediation_Playbook.pdf	15 actionable remediation cards (T1-T5, E1-E5, I1-I5)
04_Executive_Briefing_Deck.pptx / .pdf	12-slide editable 16:9 executive presentation slides
05_README_License_Guide.pdf	License agreement, usage rights, and support details

3-Step Immediate Deployment Guide

- **Step 1:** Distribute *01_Executive_Diagnostic_Workbook.pdf* to key functional leaders to score the 15 vectors individually.
- **Step 2:** Input raw scores into *02_Constraints_Scoring_Matrix.xlsx* to auto-generate the health classification and constraint triad radar chart.
- **Step 3:** Present findings to leadership using *04_Executive_Briefing_Deck.pptx* and select 1 single-variable intervention from *03_Affordance_Remediation_Playbook.pdf*.

Single-Organization Commercial License

Grant of License: This purchase grants your organization a non-exclusive, perpetual, commercial license to use, adapt, and present these diagnostic materials internally across all departments and teams.

Consultant & Client Usage: Management consultants, agile coaches, and external advisors are permitted to use this pack within 1-on-1 engagements with up to 3 client organizations.

Restrictions: You may not resell, sub-license, distribute via public download repositories, or publicly redistribute the raw source templates as standalone digital products.

Support & Ecosystem Advisory
